Tower Fan Instruction Manual

Model's name: MTF-16250

READ AND SAVE THESE INSTRUCTIONS

Attention: Pictures in the IM are for reference only.

IMPORTANT SAFETY INSTRUCTIONS

Caution

Read Rules for Safe Operation and Instructions Carefully.

WARNING

1. If the supply cord is damaged, it must be replaced by manufacturer or its service agent or a similarly qualified person in order to avoid a hazard.
2. To protect against the risk of electrical shock, do not immerse the unit, cord or plug in water or other liquid.
3. This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
4. When the appliance is not in use and before cleaning, unplug the appliance from the outlet.

5.  Correct Disposal of this product

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling. The packaging material is recyclable. Dispose of the packaging in an environmentally friendly manner and make it available for the recyclable material collection-service.

IMPORTANT SAFETY INSTRUCTIONS

WARNING

6. Keep electrical appliances out of reach from children or infirm persons. Do not let them use the appliances without supervision.
7. Indoor and household use only.
8. After the fan is assembled, the rotor blade guard shall not be taken off anymore.
 - Prior cleaning unplug the fan.
 - The rotor guard shall not be disassembled/opened to clean the rotor blades.
 - Wipe the fan enclosure and rotor blade guard with a slightly damp cloth.

BATTERY WARNING: Keep out of the reach of children!

- * If the battery compartment (if applicable) does not close securely, stop using the product and keep it away from children.
- * If you think a person might have been swallowed the batteries, or they have been placed inside any part of the body, seek immediately for medical attention.

RULES FOR SAFE OPERATION

1. Never insert fingers, pencils, or any other objects through the grille when fan is running.
2. Disconnect fan when moving from one location to another.
3. Make sure the fan is on a stable surface while operating, to avoid overturning.
4. DO NOT use fan close to windows; rain may create electrical hazard.
5. Indoor use only.

PART FIGURE

NO.	Description
1	Body
2	Rear base
3	Front base
4	Plastic nut
5	Power cord

The buttons on the body such as ON/OFF, SPEED, MODE, TIMER, OSCILLATION have the same functions as those of the corresponding keys on the remote controller.

Fig.5

MAINTENANCE INSTRUCTION

The fan requires little maintenance. Do not try to fix it by yourself. Refer it to qualified service personnel if service is needed.

1. Before cleaning and assembling, fan must be unplugged.
2. To ensure adequate air circulation to the motor, keep vents at the rear of the motor free of dust. Do not disassemble the fan to remove dust.
3. Please wipe the exterior parts with a soft cloth soaking a mild detergent.
4. Do not use any abrasive detergent or solvents to avoid scratching the surface.
Do not use any of the following as a cleaner: gasoline, thinner.
5. Do not allow water or any other liquid into the motor housing or interior parts.

CLEANING

1. Make sure to unplug from the electrical supply source before cleaning.
2. Plastic parts should be cleaned with a soft cloth moisten with mild soap. Thoroughly remove soap film with dry cloth.

NOTICE ABOUT RECYCLING

Your product is designed and manufactured with high quality materials and components which can be recycled and reused.

This symbol means that electrical and electronic equipment, at their end-of-life, should be disposed of separately from your household waste. Please dispose of this equipment at your local community waste collection/ recycling centre.

In the European Union there are separate collection systems for used electrical and electronic products.

Please help us to conserve the environment we live in!
